## Call for Papers 2022-23

*JHSSR is inviting papers for its upcoming issues in 2022–23 (without Deadline).*

Greetings from Horizon. Hope you are keeping safe & healthy. JHSSR in collaboration with various universities is making best effort to spread right knowledge across academicians. We hope below content proves an interesting read for you, please feel free to spread the knowledge to your peers and upcoming generation of accomplished authors.

The Journal of Humanities and Social Sciences Research (JHSSR) (eISSN 2682-9096) is an **open access, peer-reviewed, international** journal publishing original contributions to the field of humanities and social sciences. The journal serves as a place to share new thinking on analysis, theory, policy, and practice that relates to issues that influence innovative research and education.

The JHSSR is the official journal supported by academics from various educational institutions from **30 countries across the globe**. This remarkable statistic clearly shows that this journal is truly an international journal with diverse authorship as well as editorship. It is published by B.P. Publishing which is backed by various universities across the world.

JHSSR aims to promote **interdisciplinary studies** in humanities and social science and become a recognised leading journal in the world. Our objective is to unite researchers undertaking comparative projects. JHSSR is concerned with showcasing new and diverse international and innovative research that uses rigorous methodology that focuses on theory, policy, practice, critical analysis, and development analysis of issues that influence humanities and social sciences education.

JHSSR has as its core principles: a) innovative research; b) engagement with theory; and c) diverse voices in terms of authorship.

The journal publishes research papers in the fields of humanities and social science such as *anthropology, business studies, communication studies, corporate governance, cross-cultural studies, development studies, economics, education, ethics, history, industrial relations, information science, international relations, law, linguistics, library science, media studies, methodology, philosophy, political science, population Studies, psychology, public administration, sociology, social welfare, linguistics, literature, paralegal, performing arts (music, theatre & dance), religious studies, visual arts, women studies and so on.*

JHSSR publishes original, review, opinion, conceptual framework, and book reviews. It also seeks to broaden the realm of interdisciplinary fields of humanities and social sciences by publishing essays that investigate topics, texts, and controversies that have not typically been included in the canon of these areas.

The journal is published online with DOI. <https://doi.org/10.37534>
