BIOGRAPHICAL STATEMENT

Dileep Kumar M, Professor ✉

Prof. Dr. Dileep Kumar M. currently serves as an International Research Fellow at SEGI University, Malaysia. He previously held the distinguished positions of Deputy Vice-Chancellor and Full Professor of Business Management at Nile University of Nigeria, Abuja, where he contributed significantly to academic leadership, research advancement, and institutional development.

His research interests include strategic management, consumer behavior, entrepreneurship, SME development, tourism development, human resource management, and organizational behavior. He holds a dual doctorate in behavioral sciences and business administration.

He also enjoys reading and writing. He has published 180 peer-reviewed articles in international and national journals, 80 brief case studies in business management, and more than 76 papers at national and global conferences. He has two (2) patents, four (4) patent publications, 10 copyrights, and nine (9) books on business management, and three (3) monographs to complement his academic credentials. He serves as an editor and editorial board member for several high-impact international publications.

His training career spans over 21 years and his trainees include acade mics, researchers, and business leaders from more than 25 countries. He has worked in consulting and research and development at the national and global levels. He has dedicated his life to academia, research, corporate development, and institution building, making significant contributions to both the corporate and academic sectors.
